INTERESTS

In my spare time I like to read books that expand my understanding of other cultures and schools of thought. I drink a lot of tea, mostly Earl Grey. My website nowimfamous.co.uk and the [blog](#) attached to it keep me busy, and allow me to express myself creatively whenever I feel like it. I also like to write and sketch, and in this regard my Holy Trinity consists of Urmuz, Daniel Charms and Federico Fellini.
